

Town of Brookfield Cemetery Trustees

Minutes – 10 March 2016

Attendance: Craig Evans, Judy Lewis, Trustees
Rich Zacher, Selectman

- Noticed meeting convened at 7 pm in the town office building.
- Minutes of 11 February were reviewed and accepted with no corrections;
- The focus of this brief meeting addressed the plans for the final excavation of the new cemetery lot, and the need for a large drawing of the whole concept for the lot. Initially, as previously discussed, two sections will be opened with approximately 110 grave plots. We have received one bid thus far and are expecting two more. Hope to be able to make a decision on this final aspect before the end of April.
- Next meeting on 14 April 2016 in the town office building.

Respectfully Submitted,

Craig F. Evans
