Minutes of the Meeting of September 3, 2009. The note on the bottom concerning attachments was left over from the previous minutes and should be removed. **Motion** was made by Rob Collins and seconded by Bill Gaver to approve the minutes as altered of the meeting of September 3, 2009 as altered. All agreed

Old Business:

- Homework assignment. Bill Gaver and Rob Collins developed a document entitle *Performance Standards: Impact Qualifiers*.

The meeting's discussion covered the above homework document and documents having to do with survey questions from the notebook Bill Gaver assembled earlier. The discussion revealed the disparity of views on the subject of home occupations no conclusions were drawn. There was a feeling that the committee may not be prepared to meet with Charlie French on September 24 as planned.

It was decided that Jim Murfey would contact Charlie French of UNH Cooperative Extension to reschedule a meeting with him at least two weeks after the currently scheduled meeting, September 24, 2009.

No further meeting was scheduled.

The meeting was adjourned at 8:05 p.m.

Respectfully submitted,

James J Murfey
