The minutes of the meeting of August 3, 2009 were incomplete and their review was deferred

OLD BUSINESS

- With Bob Bordeau (owner of Moose Mountain Recreation LLC) present, Frank Frazier spent some time discussing the concept he'd developed of having an annual permitting process covering certain uses which might be permitted in the Recreation Zone. Frank pointed out the protections provided to the town and the operator in the annual review process. Mr Bordeau expressed appreciation that the contemplated approach would not require a permitting process for each event.
- Frank Frasier agreed to reexamine his draft of the annual permitting process.
- Learning the wishes of the people of the town re. the Recreation Zone. After discussion, it was decided that a workshop, tentatively scheduled for Saturday morning, September 19, 2009 would be the most effective way of learning the desires of the town.

There was no New Business.

The meeting was adjourned at 7:40 pm.

The next meeting was scheduled for August 31, 2009 at the Town Offices at 6:30 p.m.

Respectfully submitted:

Jim Murfey
