***Schoolhouse Discussion:***

All committee members discussed the survey and made adjustments to the survey. An estimated price range was discussed to inform residents of the cost for the work to be performed.

The Selectmen will run the information night on August 8<sup>th</sup> at 7pm in the Townhouse for Q and A between residents.

Marilou Maclean spoke with a resident regarding winterizing the Schoolhouse/Townhouse in the winter. Some years ago, this resident was involved in winterizing the building. Knowing first hand if there would be an impact to the plaster, Mrs. Maclean asked the resident for their recollection. The resident stated there was no impact as long as the temperature was increased slowly. This could be an issue if there is an emergency and the building needed to be opened since it is the Town's emergency shelter.

Meeting adjourned at 8:30pm.

Respectfully Submitted,

Jessica Robischeau  
Administrative Assistant
