

TOWN OF BROOKFIELD

Disclaimer of Liability for Class VI Highways

Pursuant to New Hampshire RSA 674:41, prohibiting the issuance of building permits for the erection of buildings on Class VI highways, the Town of Brookfield hereby gives notice that it neither assumes responsibility for maintenance, including snowplowing, of Class VI highways located within its Town limits nor liability for any damages resulting from the use thereof. The Town expressly disclaims any responsibility for maintenance nor any liability for damages resulting from the use thereof. Without necessarily intending to include all such Class VI highways or discontinued roads within the Town of Brookfield, the following representative roads are presently classified as Class VI highways or discontinued roads:

Robinson Road, extending from the Governor's Road to Clark Road (sometimes known as Cook Road)

Tumbledown Dick Mountain Road, extending northwesterly from the westerly sideline of land now or formerly of Matlock to a point approximately 1,775 feet easterly of the Wolfeboro Town Line, being the designated beginning of Pleasant Valley Road.

Cottle Hill Road from the residence of Royle to the Wolfeboro Town Line

Jenness Road from the Wakefield Town Line to the Wolfeboro Town Line

Tibbetts Hill Road from the Wakefield Town Line to a point on the westerly side of said Road 200 feet north of the southerly boundary of land now or formerly of Buckland

In all cases, inquiry should be made to the Board of Selectmen for the Town of Brookfield to verify the classification of any road or highway in Brookfield.

Given under our signatures and seals this _____ day of January, 1984.

TOWN OF BROOKFIELD

By Its Selectmen,

James H. Littlemore

Norman H. Royle
