**Wakefield** – During these times of covid 19 when libraries remain in various reopening phases, most libraries have been serving their communities by adding online services and increasing a virtual presence. The Gafney Library in Sanbornville falls into this category and has recently added Hoopla, a digital service that partners with public libraries across North America to provide online and mobile access to thousands of movies, TV shows, music, eBooks, audiobooks and comics. With Hoopla digital, patrons can borrow, instantly stream and download dynamic content with a valid library card. All content is accessible via hoopla digital's mobile app and online at [www.hoopladigital.com](http://www.hoopladigital.com). With Hoopla digital, Gafney patrons will have access to more than 750,000 titles, for free. Content can be streamed from any computer, television, mobile device or platform by downloading the hoopla digital app for iOS, Android, AppleTV, Chromecast or Roku.

The Gafney serves the Towns of Wakefield and Brookfield. Application for a library card is available at <https://gafney.biblionix.com/catalog/>, The Gafney will soon be offering curbside service. Until then there are many entertaining and educational services on the website <http://www.gafneylibrary.org> and on our Facebook page – 24/7!

During closure, the Gafney literacy program is exclusively featuring HiSET study. Call Rosemary Stewart at 986-1116 for information. Tutors continue to work remotely with students.
